the pleasure by redirecting the letter, for which I thank you heartily.

I am writing to him today and I hope there will not be any difficulty in receiving my letter.

I am still doing the I.N.A. Relief work here. The Madras Government has taken a favourable attitude towards us and placed us on the same footing as Ex-Servicemen. We are taking advantage of this opportunity to put in as many men as possible in services.

I was worried about the situation in Calcutta and in particular about your family's safety. Things seems to come to normal now, due to the untiring efforts of our leaders, especially of Mahatmaji. May we sigh a sigh of relief?

I hear Major Hassan has returned to Calcutta. Please give him my Jai Hind to him. Please convey my respectful regards to your father and mother and my cordial greetings to your brothers & sisters. With best compliments.

JAI HIND,

With my most profound and humble respects, I beg to say the following for your merciful consideration and kind assistance.

That I was a Sepoy No. 7540 in the Nehru Brigade of the I.N.A. seen service in Burma and in all served in the above capacity for about 2 years and was disbanded at Bangkok where I was taken as Prisoner of War there.

During the middle part of my service while at Singapore I met with an accident on the right-side of my chest while in the course of practising with machine gun and this accident has gradually resulted in affecting my heart as you would see from the copy of the Medical Certificate issued by the Congress Medical Mission during their visit to this country.

Due to the fore-going circumstances, the Indian Relief Committee at Kuala Lumpur is sympathetic to pay me an allowance of $ 15/- per month and for which kind assistance I feel ever grateful to them.

As per the copy of the said Medical Certificate you will agree that I am in an hopeless state of health and as a result of which I could hardly walk or work and as suggested in the said copy of the certificate, I shall ever feel grateful if your goodselves would extend your kind assistance to get me repatriated as it is not worth the trouble of residing here any further when , ~~xxxxxxxxxxxxx~~ in my humble opinion, relief could be obtained for my sickness in my homeland.

Trusting that my humble prayer would be heard,

JAI HIND

Sir,

Most respectfully I beg to state that in spite of my search for a job in this district, I am still unemployed ever since my release from Multan Cage nearly 9 (nine) months ago.

I had forwarded a petition praying for a job & relief three months ago under registered Cover but so far your goodself has taken no action on it.

As I am now in a very difficult financial position and as I have no other means to pull on, I humbly pray your good-self to be kind enough to relieve me of my difficulty by providing relief & job as soon as possible.

For which act of kindness I shall ever remain grateful to you.

who are being accused of atrocities during the August Movement. Not a single I.N.A. men has so far been employed in this province in any capacity nor is there any likelihood of anybody getting so employed. In fact some of our people are working in Bengal and Behar through the kindness of the Relief Committees there, but not a single I.N.A. men has been utilised in any capacity in spite of several representations made by the I.N.A. Relief Committee in the Province.

On the other hand, in spite of the Congress ministry, till recently, there were instances of I.N.A. men being sent for to Police Stations and subjected to all sorts of questions and made to wait for hours. In one case a Sub-Lieutenant of the I.N.A. was hand-cuffed, lead with a rope tide around his waist. Further, the I.N.A. people of this province are feeling helpless or unable to go back to their normal civilian avocations in view of their pledges and at the same time, remaining idle, because, the congress leadership and the congress Government of this Province do not accept our preffered services. Even the Orissa Congress Government has not taken the troubles of declaring like some other provinces that ex-I.N.A. men are to be treated as ex-service men. So much so, that almost all the I.N.A. personnel of this province are thrown into the streets or on their paternal properties for their very existence.

The majority of the I.N.A. personnel, out of sheer disgust, have already left the province to work elsewhere. The few that are here, are feeling very much despondent in the circumstances.

We, however, appeal to our popular Government and the Congress Leaders of the Province, to utilise the services of the ex-I.N.A. men for the Post-war drive for the improvement of the province. We also hope that the I.N.A. Committees will appeal to the Orissa Congress and the Congress Ministry to do the needful.

We humbly solicit a reply to this our humble appeal before the end of this month failing which we will be compelled to have recourse to such measures as would bring necessary

(P.T.O.)

We all returned to our homeland after the surrender to the British and after some experience of the British Military Prisons, the last instructions of our beloved Netaji is still ringing in our ears that we should continue for freedom of India under the lead of the Indian National Congress. We did our little bit at the thrilling Congress meetings which preceeded the general elections as also in the meetings in the elections for the few contested seats. At almost every congress meeting some of our men were there, singing national anthems and speaking about the exploits of the Fouz. The results of the elections and the large number of successes and the uncontested return of 90 per cent of congress candidates, we humbly believe, were largely due to the Augusteers at home and I.N.A. personnel from abroad. We now painfully recollect that how some eminent congress leaders of this province used to tell the audience when they were offered flower garlands "garland this representative of Netaji instead of me" (pointing at the humble I.NA. man in uniform).

After the elections were over, however, the I.N.A. men of this province have been forgotten by all concerned. Even the leaders who used to get us garlanded at these elections and pre-election meetings do not find time to grant us interviews.

The I.N.A. Relief Committees in this province have been closed down. No help is coming from outside, too, for I.N.A. personnel. No volunteer organisations have been built up yet. No Provincial or District Congress Committees have accepted our services since the aftermath of the elections. Neither the Provincial Government which was formed in April last nor the Local Bodies in the province which were also formed ~~in April last nor the Local Bodies in the province which were also formed~~ about that time, have cared to utilise our services. We have some expert P.T. and Drill Instructors none of whom has been appointed anywhere even though many institutions in the province working without Instructors on the ground ~~that~~ "Y.M.C.A. - trained men are not available." The Orissa Military Police have been formed with those who are

Sir,

We were about 5,000 volunteers in the I.N.A. from Orissa Province. A few were ex-Military personnel, including a handful of Doctors, captured by the Japanese in Singapore. The bulk of Orissans in I.N.A. were civilians, (expert mechanics, miners, oil field workers and agriculturists) who were in Burma before the evacuation by the British. We had joined the I.N.A., got ourselves trained (including some in the Officers' Training School and several in the Special Instructors' Training School) and played our humble part in this Far Eastern struggle for India's freedom.

My dear Mr. Amiyanath Bose,

I am in receipt of your both letters dated 26th and 30th December and thank you for the same.

Regarding complaint of the I.N.A. men from Orissa I cannot express a definite opinion from here, because I do not know how far the complaints made in the letter referred to above are genuine. I hope you are aware that there is an I.N.A. Enquiry & Relief Committee at Cuttack (Orissa) of which Maj. Pattanayak is Incharge. In my opinion the men should have referred the case to the Officer Incharge of the Enquiry & Relief Committee at Cuttack and he would have taken up the matter with the higher authorities. May be that grievances are quite genuine and they are not being helped in a way to which they feel entitled, but that is happening in most of the places as far as I know. I have advised the men to approach Maj. Pattanayak and ask him to put up their griegances before the proper authorities.

Regarding the release of the matter in the press, I saw recently a part of the letter published in the Hindusthan Times. I leave it to you as to what you want to do in the matter.

As regards the programme to be observed during the week when I.N.A. Officers and men will be in Calcutta, I will be informing the provinces concerned, but I hope you are working out a detailed programme, which is to be observed on every day. I do not know whether Gen. Shah Nawaz & Col. Mullick are bring-

at Jallygunj, Cal. and to narrate every thing that Concerned me.

After that I was obliged to leave Calcutta for Bombay by the help of generous and patriotic gentleman who sent me to Bombay with full assurances for my future provision and secured prospects. Alas, today all his enterprises are at stake and Collapsed to reduce me once again as miserable as ever. & that was why I forwarded a petition for my immediate rescue.

That time it was felt that the help which could be derived in the Relief centre, might be diverted and engaged to a person who still remained unemployed. Not Considering Any way as you shall now the Case of a Doomed man who staked his all to see ~~India Free~~ INDIA FREE ----- what have I got to say? I am left to lament and Pass my hopeless by miserable days to Satisfy with the idea that few of you had the Chance to be PRIVILEDGED and HONOURED with such ~~sacred~~ RIGHTEOUS ENTERPRISE, and TO SEE THIS IS HOW YOU ALL ~~are~~ ARE TREATING THE I.N.A. the 10th January - but could not avail you.

However, my earnest request to you is to entrust Maj. Gnl. Shah Nawaz, Maj. Gnl. Jagannatha Rao Bhonsle & Col. Habibur Rahman, - anyone of them to unveil the Netaji's statue and arrange for their coming to Chandernagore on the 26th January & thereby oblige me. A meeting of the I.N.A., - advisory Committee is scheduled to take - place on that day. You, of course, told me that the day will not, perhaps, be a suitable one. So, if it not at all possible on the 26th, I would then, request you to arrange on the 27th January.

We have already arranged to give an address of welcome from Chandernagore to the I.N.A. officer of officers, whoever come down here. My request is therefore, to you to help us in our above efforts.

I shall be glad if you kindly let me know your opinion through.

Dear Amiya da,

I told you about the unveiling ceremony of the Netaji's Statue at Chandernagore on the 26th January - the Swadhinata'-day - and I requested you to entrust one high-ranking officer of the Azad Hind Fauz when I met you on the 31st.
